GROUP 3600

Dear Sir

Enclosed please find a substituted Specification and Claims, under 37 CFR 1.125(b) for the above, pending CIP Application No. 09/982,044, filed on 10-19-2001.

The revised portion of Claim No. 2 is part of the original Description of the above Application that was inadvertently absent from the originally submitted Claims.

Two copies of the Claims and Specification are submitted herewith; one copy shows the deleted matters in brackets and underlining the inserted matters.

The substituted Claims contains no new matter.
